

LORNE HOTEL

Responsible Service of Gaming

The Lorne Hotel is committed to providing responsible gambling in our venues. Whilst gambling is enjoyed by the majority of people responsibly, we acknowledge that problem gambling is a serious community issue and that a small proportion of customers are harmed by their gambling activities.

Our goal is to ensure our hotels provide a safe and supportive environment where our customers make informed decisions about gambling and timely appropriate assistance and information is provided.

The Lorne Hotel believes that the industry, government, community and individual have a shared responsibility for the promotion, development and practice of responsible gambling.

Our objective is for our gaming facilities to be enjoyed as a social recreation by responsible individuals who choose to use them.

The Lorne Hotel actively supports the promotion and encouragement of responsible gambling.

Advertising and promotions contained on the Lorne Hotel's website are not implicitly or explicitly directed at minors, excluded persons, or vulnerable or disadvantaged groups.
